

APPLICATION CHECKLIST

Below are some common examples of required attachments to include with your Design Review Application in order for the Design Review Committee to review your Application in a timely manner:

◆ 8 1/2 x 11 photo(s) of the front of the home and of the area to be improved
(Please show the entire front of your home)

◆ Promotional materials and/or photo(s) of the item to be installed, such as brochures
(i.e. security doors, pergolas, light fixtures)

◆ Supporting documents including, but not limited to:

- ▶ Sketches
- ▶ Professional plans and drawings
- ▶ Measurements (including dimensions for materials used)
- ▶ Set backs from all perimeter walls
- ▶ Square footages
- ▶ Paint chips
- ▶ Plant list and legend
- ▶ Demonstration of adherence to the Design Guidelines

◆ Any additional information you feel will help the Design Review Committee make an informed decision.

◆ Your application should clearly specify all aspects of the appearance of the proposed improvement(s), including location, dimensions, color, materials and finishes.

◆ Please submit one (1) application for each exterior addition, modification or other improvement.
